MANAGEMENT UPDATE

The Company announces today that Raymond Polman, Chief Financial Officer, has communicated his plans to retire after 15 successful years with the Company. Mr. Polman will remain in his current position until a replacement has been transitioned into the role. It is expected that a new CFO will be announced by the end of the third quarter.

Keith Neumeyer, President and CEO, states, “Ray has been an important member of First Majestic for the past 15 years and his financial leadership has assisted in building First Majestic into the world-class silver company it is today. I’m grateful for his contributions to the business and wish him all the best in his retirement. In addition, I would like to thank Robert McCallum for his long-standing directorship to First Majestic. Rob has been with the Company since inception and his contributions have enabled First Majestic to grow into one of the world’s largest silver companies. Both Ray and Robert will be greatly missed, however, both will be available for advisory roles over the next 12 months.”

Additionally, the Company is pleased to announce the appointments of Michael Deal as its General Manager of the Jerritt Canyon Gold Mine and Edward Kirwan as Director of Environment. Mr. Deal has over 17 years of mining and mineral processing experience and was most recently Processing Manager and Regional Metallurgist for Nevada Gold Mines, a joint venture between Barrick Gold and Newmont. Mr. Kirwan has over 34 years of environmental, sustainability and project management experience in the mining industry and most recently held environmental positions at Tahoe Resources, Silver Standard Resources and KHGM. Also, effective today, Greg Kulla has resigned from the Company as Vice-President of Exploration and a search for his replacement has begun.

RENEWS ATM PROGRAM

The Company announces it has today entered into an equity distribution agreement (the “Sales Agreement”) with BMO Capital Markets and TD Securities (the “Agents”) pursuant to which the Company may, at its discretion and from time-to-time until June 18, 2023, sell, through the Agents, such number of common shares of the Company (“Common Shares”) as would result in aggregate gross proceeds to the Company of up to US$100.0 million (the “Offering”). Sales of Common Shares will be made through “at-the-market distributions” as defined in the Canadian Securities Administrators’ National Instrument 44-102-Shelf Distributions, including sales made directly on the New York Stock Exchange (the “NYSE”), or any other recognized marketplace upon which the Common Shares are listed or quoted or where the Common Shares are traded in the United States. The sales, if any, of Common Shares made under the Sales Agreement will be made by means of ordinary brokers’ transactions on the NYSE at market prices, or as otherwise agreed upon by the Company and the Agents. No offers or sales of Common Shares will be made in Canada on the Toronto Stock Exchange (the “TSX”) or other trading markets in Canada.

The Offering will be made by way of a prospectus supplement to the base prospectus included in the Company’s existing US registration statement on Form F-10 (the “Registration Statement”) and Canadian short form base shelf prospectus (the “Base Shelf Prospectus”) dated May 18, 2021. The prospectus supplement relating to the Offering has been filed with the securities commissions in each of the provinces of Canada (other than Québec) and the United States Securities and Exchange Commission (the “SEC”). The US prospectus supplement (together with the related base prospectus) will be available on the SEC's website (www.sec.gov) and the Canadian prospectus supplement (together with the related Base Shelf Prospectus) will be available on the SEDAR website maintained by the Canadian Securities Administrators at www.sedar.com. Alternatively, the Agents will provide copies of the US prospectus and US prospectus supplement upon request by contacting BMO Capital Markets.
The Company expects to use the net proceeds of the Offering, if any, together with the Company’s current cash resources, to develop and/or improve the Company’s existing mines and to add to the Company’s working capital.

This press release does not constitute an offer to sell or the solicitation of an offer to buy securities, nor will there be any sale of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such jurisdiction.
